PREVIEW OPENING OCTOBER 12-13-14

George Liberace and His Orchestra

Formal Club Opening November 10th

The plans, the changes, the PREVIEW OPENING are all so full of the wonderous 'New Look' it's hard to sustain the adjectives to support them! Superlative, peerless, incomparable are only vaguely descriptive sketches of the magnificent 'New Look' at your Shadow Mountain Club.

Wait 'till you see our handsome new Entrance! The block grill work, artfully combined with ornamentally framed plate glass doors, suggests the subtle essence of privacy and the open warmth of welcome. An architectural achievement gracefully conforming to the fluid expanse and structural freedom of the entire Club design! The Foyer, too, has seen a change. Here the flight of openness seems to settle for a moment on the cool and living waters of the fountain. Facing the Foyer, on the right, is Dottie Wilson's Shadow Mountain Sport Shop . . . a beautiful salon completely devoted to a discriminating selection of the very latest of fashion. Beyond, and adjacent, is an inviting side entrance to your magnificent new 'No Name' Cocktail Lounge. An elegant room, spacious to accommodate many and yet flexible to being intimate, boasts a decor combining simple restraint with classic refinement . . . a perfect background for meaningful gatherings of members and guests. This 'newest of new' additions thoughtfully includes many uses. Serving as a Coffee Bar from 7:30 - 9:00 a.m. daily it will no doubt be a haven for golfers and morning drop ins! As a Cocktail Lounge it will remain open until 2:00 a.m. A perfect spot for 'sing-a-longs' as the Piano Bar will provide entertainment every night from 8:30 o'clock until 1:30 a.m. The elegance of the Gourmet Dining Room and the seclusion of the Garden Room (formerly the Indio Room) have been wisely sustained to maintain the tempo so much a hallmark of the Club. Of special import to the Dining Room is the Open Hearth Gourmet Grill. This inviting corner will make possible exceptional Epicurean cuisine to appease and delight the gourmand member! This same connoisseur may also observe Chef Leon Duray artfully prepare the viand of his choice . . . a true gourmet considers such preparation observation an essential ingredient to the complete enjoyment of fine food!

. . . . . And the 'New Look' doesn't stop here. The poolside changes are many! The Arts and Crafts Terrace will have great appeal to many members. This promises to be a popular resource to both the seasoned artist, those belonging to the Palette Club, as well as to the novice with little more awareness than a genuine interest! This hobby retreat may well yield great latent talent! Also poolside . . . a new Cocktail Loung to provide you with the convenience and informality of patio relaxation—we think you will like the French decor and sidewalk tables of this new rendezvous! We know the ladies will be delighted with their beautiful New Card Room. Its light and airy atmosphere, expansive view, and comfortable furnishings will make even a dull hand seem exciting!

. . . . . And so you see, the 'New Look' is just everywhere at Shadow Mountain Club! Small wonder we say, "How could we possibly confine the opening to anything but a three-day weekend?" . . . Circle the dates and make your reservation early . . . we don't want YOU to miss the launching of this wonderfully exciting and great 'New Looking' 1962-1963 Season!

AGENDA NOTES:

THE S.M.C. PALETTE CLUB, with inspiring programs for their new season, will feature, at their October 24th meeting, those well known artists and teachers of Mosaics, Rene and Ted La Motte. The La Mottes studied at U.S.C. and are recognized for having introduced, nine years ago, the use of Brass, Wood, and Ceramic Mosaics. Make your reservation with the Palette Club reservation clerk, Harriet Clandening, FIreside 6-6475 . . . Remember too, to check your excellent exhibit in the Lounge Galleria !

DESERT BEAUTIFUL, that dedicated group of citizens who carry the load of many, have designated October as 'Pick Up, Paint Up, and Plant Month.' Their meeting on October 17th will determine their status at this all-important half-way mark!

THE PALM DESERT WOMEN'S CLUB will feature those outstanding musical personalities, Peggy and Bill Coburn, at their first meeting of the season, scheduled for October 18th.

Opening Weekend Reminders:

The Shadow Mountain Golf Club announces their First Annual Member and Guest Tournament of the season to be held Saturday and Sunday, October 13th and 14th. All members of both Shadow Mountain Golf Club and the Shadow Mountain Club may enter as well as their guests. The entrance fee of $10.00 includes the trophy fund and the green fees.

Shadow Mountain Club's first Round Robin Tennis Tournament of the season will be held Saturday and Sunday, October 13th and 14th. Mr. Cliff Myll, Club Tennis Chairman, invites all active tennis players of last year and any members interested in tennis to participate. This will be an event involving the exchange of partners to make play interesting for everyone.

The Swimming Carnival will have great appeal for our young members. Betty Crockett, Club Recreation Director, announces the Carnival will consist of novelty races, a penny hunt and an especially exciting silver dollar treasure hunt. The Carnival is scheduled for 2:00 p.m., Saturday, October 13th—a lucky date for the winners!

The latest New of 'The New Look,' and of exciting import, are the Wagners, Vi and Jerry. These two wonderfully talented musicians will be entertaining you nightly in our NEW NEW Piano Bar! (How do you say 'pianos bar'—actually they play two pianos! Plus . . . electric organ, drums and etc.!) By the way, every Monday night is Talent Night so bring your horns, violins, harmonicas or whatever and join the group for a gay, informal jam session! This would no doubt be blast enough but to really top it off . . . every Monday at midnight Shadow Mountain Club celebrates New Year's Eve with all the fan fare of the real thing in this wonderful New Piano Bar lounge!

THE RECREATION DEPARTMENT has a variety of events planned that will thrill all Club youth between the ages of 4-18 years. Swimming races are scheduled evevery Saturday morning at 10:00 with prizes for the winners. The only entry requirement is your ability to swim the length of the pool! . . . Don't forget the Recreation Room is open from 2:00-6:00 p.m. during the week and from 10:00 a.m.-6:00 p.m. on the weekends. Note your group and check the dates for your very own special events: Kookie Kittens (ages 4-6); Kookie Kids (grades 2nd, 3rd, 4th); Kookie Kats (grades 5th, 6th); Sub Teens (grades 7th, 8th); Teens (grades 9th, 10th, 11th, 12th) . . . By the way, with everything getting the 'New Look' your Recreation Room needs a 'New Name' . . . give your suggestion to Betty and YOU may win the prize ! ! !

THE MEMBERSHIP of the Shadow Mountain Club will soon be at a premium. With the Club's fabulous 'New Look' and membership at an all-time high we are surprisingly near our goal! To avoid the possibilities of refusal, due to membership quota, Frank Sorenson urges members to submit names of potential candidates. We are proud of the quality of our Roster and feel one of the best sources of assuring this level is through thoughtful referral by our members!

EVERY MONDAY NIGHT IS NEW YEAR'S EVE AT S. M. C.
